

Eshwar Lal

Computer Science Graduate

eshwarmalhi24@gmail.com | (+92) 334 3216691 | Karachi, Pakistan | LinkedIn | GitHub

SUMMARY

Fresh CS graduate from IBA skilled in Flutter, React Native, and the MERN stack. Experienced in building scalable, responsive web and mobile apps with Google Maps API, LLM (Gemini), and RESTful APIs. Passionate about creating innovative, user-focused solutions.

WORK EXPERIENCE

Intern Software Engineer | iCreativez | Karachi, Pakistan Nov 2024 – June 2025

- Developed and maintained cross-platform apps using Flutter & Dart.
- Integrated Firebase Authentication, Firestore, and Google Maps API.
- Collaborated with backend and UI teams to improve app performance.

EAS Learning Platform (React.js, Node.js, MongoDB, Express.js)

- Developed a Udemy-style E-learning platform with Student, Instructor, and Admin panels.
- Implemented authentication, course creation, and revenue tracking features.

Freelance Developer | Various Clients | Feb 2025 – Present

- Created **Torogi Job Finder (Flutter + Supabase)** featuring real-time job updates and notification systems.
- Developed Indoor **Map Navigation App (Flutter, Firebase, Mappdin API)** enabling accurate in-store navigation.
- Designed **Social Media Frontend (AngularJS, Firebase)** with post creation and live feed functionality.
- Developed a **Receipt Scanner App (React Native, Gemini LLM API)** that enables users to scan receipts, extract key details using AI, and store results locally with offline access.
- Built **Local Event Finder App (Flutter, Firebase, Google Maps API)** allowing users to explore nearby events with live location tracking.

EDUCATION

Sukkur Institute of Business Administration (IBA)

BS in Computer Science September 2025

SKILLS

Mobile Development: Flutter, React Native Expo, Dart, Firebase, Firestore, Supabase

Web Development: React.js, AngularJS, Node.js

Tools & APIs: Git/GitHub, Google Maps API, REST APIs

Core Concepts: Object-Oriented Programming, Data Structures, Algorithms, Software Engineering

CERTIFICATIONS

Flutter Specialization – Coursera

JavaScript Programming – Coursera

Web Development Basics – Udemy
